("Images.com"). By using the Work, as defined below, Client agrees to be bound by this Invoice and Contract.

RIGHTS-PROTECTED END-USER LICENSE CONTRACT DEFINITIONS AND TERMS OF LICENSE

Other use of the Work is granted or licensed hereunder and no use whatsoever may be made of the Work or material or products embodying the Work after the Expiration Date (including, without limitation, any publication, distribution, reproduction or sale). The license granted is for the use of the Work in whole but not in part. No modification of the Work shall be made or permitted to be made by the Client. Client agrees that, unless Images.com expressly agrees otherwise in writing, each use of the Work shall include credit and copyright notice as indicated on this invoice. End user of Work shall provide copyright protection to the Work and such copyright shall be immediately assigned to Images.com or the artist, upon request and without charge. Use of the Work other than as permitted under this contract or without payment in full to Images.com shall constitute copyright infringement, and Images.com shall be entitled to recover for such infringement, in addition to its other rights and remedies. In the event of copyright infringement where Images.com decides not to institute legal proceedings, it nevertheless retains the right to charge Client above and beyond the normal usage fees. If Images.com is required to institute legal proceedings or incur any costs to recover the Fee from Client, Client shall be responsible for all of Images.com's costs, including its reasonable attorneys' fees and costs. If digital files embodying the Work have been delivered to Client, such files may be used solely for the Permitted Use of the Work, and immediately following the Expiration Date, Client must delete all files and copies of files from all computers, servers and all other electronic media. Such digital files may not be communicated, shared or sent to any other party, or saved in any manner whatsoever before their permanent deletion. Client is responsible for requesting rights from Images.com, in writing, prior to re-using Work in any way, using the Work beyond the Expiration Date indicated on this invoice, or using the Work other than for the Permitted Use. All rights must be obtained from Images.com by Client and full payment received by Images.com prior to such additional use, re-use or extended use. Failure to do so may put Client at risk for copyright infringement and Client will be liable for all associated costs, fees and penalties, as outlined above. Additional, re-use or extension rights are not guaranteed to be available.
